ENTRY

1. **Sponsor's fee, each team - \$35.00. All sponsor's fees must be paid before the starting date of League.**
2. **Otter Creek Sportsman's Club membership fee, \$30.00 for each shooter prior to the end of the third week. Family membership - \$30.00 (Family membership applies to spouse and dependent children.) Shooter's membership must be paid by the end of the fourth week or their scores will NOT be posted.**
3. **Starting date of League is May 5, 2009. Shoot-offs and trophy presentations will be held on August 29, 2009 for all League members.**
4. **The first three weeks must be shot by the end of the third week. After the initial three weeks there will be no make-up without a valid reason. Shooters may shoot the entire 16's portion at once if desired. On handicap you may shoot ahead only the present plus TWO (2) weeks.**
5. **There must be at least five shooters and no more than eight on each team.**
6. **Every team entered must complete the first three weeks shooting by the end of the third week (Sunday, May 24, 2009).**
7. **League members shall be provided with a membership card with space for each week's scores. It is the SHOOTER'S RESPONSIBILITY to keep track of the weeks and scores which have been shot.**
8. **Each team must have a team captain. Only team captains may register a complaint with the League Secretary for his team members or his team.**
9. **Shooters who will permanently miss the remaining part of the League for a valid reason may be replaced with the consent of the League Secretary. The replacement must use scores already shot and posted. Handicap will be determined by the Board. The replacement will not be in the running for any individual high score trophies earned by his/her scores.**
10. **Written request for make-up must be made to the League Secretary before the week to be missed has ended.**
11. **The competition week BEGINS on Monday and ENDS on Sunday night. Scheduled shooting days are Tuesday, Thursday, Saturday and Sunday. League or practice shooting is permitted on any of these days as long as it does not conflict with a special program.**
12. **On A.T.A. shoot days there may be a limited number of traps available.**
13. **Trophies in classes will be presented as follows:
4 Teams – 1 Place
5 & 6 Teams – 2 Places
7 & 8 Teams – 3 places**
All ties will shoot off. Sixteen yard team handicap will NOT be used in shoot offs.

GENERAL RULES

- 1. SHOOTER RESPONSIBILITY BEFORE LEAVING THE SIGN UP DESK:**
 - a) Write name legibly
 - b) Team number
 - c) Number of week to be registered **STAMPED IN RED**
 - d) Handicap yardage when needed.
- 2. Shooters will shoot for score in consecutive weekly order. If duplicate weeks scores are recorded, the lowest score will count for the week concerned and others for that week shall be void and not transferable.**
- 3. In League where an off number of teams exist, the odd team of the week will shoot against its three previous week's average score to round out the bracket.**
- 4. The high individual score on total 16 yard and handicap targets combined will be awarded a trophy. All ties will shoot off. The shoot-off will be 25 16 yard targets and 25 handicap targets.**
- 5. No target will be changed from lost to dead once the shooter has left the post from which the target being questioned was shot.**
- 6. Shooters should ask the puller or scorer to call lost targets loud enough so that everyone on the squad can hear. Scores should be read after every five targets.**
- 7. Shooters should remain at their positions until the puller or scorer has read the scores for that position and has called the change.**
- 8. NO FOOD OR DRINK OF ANY KIND WILL BE PERMITTED ON THE FIRING LINE.**
- 9. Individual shooters who cannot be placed on a team may buy a club membership and shoot for individual class trophies only.**
- 10. The A.T.A. rule book will be used along with the League rules to govern League shooting.**
- 11. Tied team scores will be decided by the 6th, 7th or 8th scores on an equal number of members per teams.**
- 12. League Shoot-Offs will be held on Saturday, August 29th. We prefer that all ties be shot off on that date. A team or individual involved in a shoot-off will shoot at NO CHARGE on the League Shoot-Off Day, others who shoot during the week previous to the specified date will pay for their shoot-off targets at the regular price.**

SIXTEEN YARD TARGETS

- 1. Sixteen yard averages shot in League competition last year and the first four weeks of the current year will be used for this year's classification.**
- 2. New shooters will be classified after they have completed the first four weeks of shooting and by known ability.**
- 3. A.T.A averages and known ability will also be used for classification of all shooters as of May 5, 2009.**
- 4. Each individual class winner will be awarded a trophy and all ties will shoot off at the end of League.**
- 5. Averages of shooters on a team during the first three weeks will determine which class the team shoots in.**
- 6. For the first half of the season, all shooters shall fire three matches at the sixteen yard line before the team averages and handicaps shall be figured. The scores of the top five team members for each of the three matches shall be totaled and shall be used to establish the team handicap. Taking the team average, subtract 120 and use sixty percent of the difference as team's handicap. No team can be handicapped to more than a score of 120.
EXAMPLE: Top five members have scores totaling 112, 114 and 118. Total equals 344. Dividing by 3 equals 114.6. Rounding to 115 and taking the difference between 115 and 120 we have 5. Taking sixty percent of 5 gives 3. Added to the totals gives us 115, 117 and 120 as no team total with a bird handicap added can be more than 120.**
- 7. In computing all team averages, the fractions will be figured to the nearest tenth for all competitive rounds. Percentage points below 0.5 will be dropped, and those 0.5 and above will be rounded to the next highest number.**
- 8. Sixteen yard trophies (individual) will be awarded by class – i.e. the high shooter in each class.**

200 HANDICAP TARGETS

1. **Five yardage groups – 19-19½, 20-20½, 21-21½, 23-24½ and 25-27.**
2. **A.T.A shooters will start league at the yardage punched on their A.T.A average card on the first night of their Handicap shooting.**
3. **A.T.A shooters that no longer shoot registered targets will start the league on yardage last assigned to them by the A.T.A.**
4. **A.T.A. average cards must be used for proof of change in yardage.**
5. **Non A.T.A. shooters will be assigned yardage according to previous two years scores and by known ability.**
6. **Shooters will receive added yardage for the following reasons only:**
 - a) **For leading a yardage group after every fifty targets a shooter shoots and all ties will receive one yard for a score of 45 or more of the 50 – i.e. if the high score of one of the yardage groups is a 48, that shooter (and ties) will receive one yard added.**
 - b) **Second place and all ties will receive one-half yard; in the yardage groups where the high score was less than 45 of the 50, the high shooter (and ties) will receive one-half yard.**
7. **Shooter should NOT shoot more than two weeks ahead during handicap due to the possible change in their yardage after every fifty targets. Exceptions to the two weeks by permission of the League Secretary.**
8. **Shooters who shoot more than two week ahead and have had their yardage changed will be required to re-fire. If targets have to be re-fired, they will be notified by the League Secretary and a time limit set for re-firing agreed upon.**
9. **It will be the SHOOTER'S RESPONSIBILITY to know his correct yardage at all times, and to make sure that he is standing on the correct yardage when he shoots his targets. In the event it is discovered that a shooter is shooting from the incorrect yardage, the round will be re-shot.**
10. **Handicap trophies will be awarded by yardage group, i.e. the high shooter in each group. Shooters will remain assigned to the group in which they started regardless of earned yardage.**
