

## AUGUST 2009 NEWSLETTER

**League Shoot-Off Day** is Saturday, August 29, 2009. If you think your team or you as an individual will be in a shoot-off, please check the bulletin board at the club. The final league standings will also be posted on our website, [www.ottercreeksc.com](http://www.ottercreeksc.com) on Wednesday after week 16. Shoot-offs will consist of 25 - 16 yard targets and 25 handicap targets. These may be shot any time on Saturday after 10:30 a.m. and before 3:00 p.m. If you shoot your shoot-off targets during the week you will have to pay for the targets, Saturday's shoot-off targets are free. Trophy presentations to the winnings teams in each class will follow the program. Check at the club to see how many trophies will be presented in each class.

A **Membership Shoot** will be held on the same day. The program is on the next sheet. You may shoot all or any part of the program. All prize and option monies will be paid out that same day.

Due to poor attendance the last couple of years, there will be **NO POTLUCK DINNER** following the trophy presentation.

**Fall Leagues for Trap and Skeet** will begin on Tuesday, September 1. Sign-up sheets are on the bulletin board. Trap League will consist of 1-16 yds and 1-handicap each week for six weeks.. There will also be a Doubles League, one 50 bird round per week. Skeet League will be two rounds per week. All shooters will shoot for individual scores, there will be **NO** teams. All entries will pay a \$5.00 fee. This will be paid out at the end of the league in a Lewis Class system, 1 payoff for every 5 entries. Any questions, please see R.G. Prucha or Joanne DeLong.

The sign-up sheet for **Board of Directors Election** is on the window at the club. Any member interested in serving as an officer or director, please place your name on the list under the respective position. Please keep in mind that this is a membership club and as members we all have a responsibility to keep Otter Creek Sportsman's Club the **best in the state**. The annual membership meeting, elections and shoot will be held on Sunday, September 27, 2009 at the club.

**Note the Fall Hours.** In September we cut back to Sundays, noon to 4:00 pm. and Tuesday, 5 to 8:00 p.m. Fall shooting is great practice for hunting. Bring a friend to introduce our sport. If you or anyone have any questions regarding trapshooting or skeet - please ask any of the directors and I am sure they will be able to help you.

The **Board of Directors** would like to **thank all of you** who participated in the league and have supported our club the past year.
