HIAWATHA, IOWA 52233

## Spring 2008 Newsletter

**League Hours** will be the same as last year. The days your club will be open for shooting will be the same as last year. Please consult your club calendar for OCSC ATA events which may affect league shooting. Your board has deemed that if the practice trap is open and pullers are available we will throw league score targets during ATA registered shooting. **Note: Captain's Meeting and League Rules and Organizational meeting is scheduled at 7:30 p.m., April 23, 2008.**

**Summer League** starts Tuesday May 6<sup>th</sup> and runs through August 24<sup>th</sup> with shoot offs and trophy presentation September 6<sup>th</sup>. We are always looking for **trap help** to make our shooting go smoothly. Please consider volunteering your time for an afternoon/night or two to help your club out. This becomes particularly important after league starts and before school is out for the summer. Our paid help is more available after June 1<sup>st</sup>. Please call Director Steve Manary at 981-4455 or e-mail at [smanary@southslope.net](mailto:smanary@southslope.net) if you can help out. We also would appreciate any name of young people who would be interested in working at OCSC.

**Trap Class** will begin Monday, April 14<sup>th</sup> at 6:30 p.m. with a signup/orientation/safety session. Shooting sessions will follow on April 16, 19, 21, 23, and 26. Come out and let us help you prepare for the new season. Call the club for more details at 393-5814.

**Membership** cost for this next year will be \$30.00. Formerly there was a differential for family membership, this no longer exists. Your membership fee now includes spouse and dependent children.

**Skeet Shooting** will continue to be open Sundays during normal club hours. With the beginning of league shooting the skeet field will be open on Tuesdays and Sundays.

**Shooting Fees** cost for target rounds has increased to \$4.00 for individual rounds. Non members will pay \$6.00/round. Shoot ticket books (best deal) may be purchased for \$40.00 which affords 11 rounds/book.

**Please Note** shooters will still signup and register for a squad at the club desk. However tickets will now be taken by the pullers at the trap. Shooters joining short squads on the line must present a ticket to the puller to shoot their round.

The **Harlan Campbell Shooting Clinic** is a two day class taught by the captain of the All American ATA Trapshooting Team. OCSC is privileged to host this class for the 4<sup>th</sup> year. Presently all 3 classes are filled.

**Shooters will be required to wear eye and ear protection** during shooting. Please help and be a good example for other shooters when it comes to these safety practices. The

club has some glasses available for limited use and soft ear plugs available at the counter for minimal cost.

**ATA Shoots** are scheduled for March 16<sup>th</sup>, April 6<sup>th</sup> and May 3<sup>rd</sup> & 4<sup>th</sup>. If anyone is interested in shooting registered ATA targets, this is a good time to get started.

**Web Site:** Check out our website at [www.ottercreeksc.com](http://www.ottercreeksc.com) your club tries to keep the site current and informative.

Your officers and directors always welcome suggestions for improvements to **YOUR** club. Feel free to let them know of any concerns. **Come out and enjoy the fun!!!!**
